

BLOWIN' IN THE WIND (Bob Dylan)

G/// G///

G/// C/// D/// G/// G/// C/// G/// G///

How many roads must a man walk down before you call him a man

G/// C/// D/// G/// G/// C/// D/// D///

How many seas must a white dove sail before she sleeps in the sand

G/// C/// D/// G///

Yes and how many times must the cannonballs fly

G/// C/// G/// G///

Before they're forever banned

C/// D/// G/// C///

The answer my friend is blowin' in the wind

C/// D/// G///

The answer is blowin' in the wind

C/// D/// G/// C///

C/// D/// G/// G///

G/// C/// D/// G/// G/// C/// G/// G///

How many years can a mountain exist before it is washed to the sea

G/// C/// D/// G///

Yes and how many years can some people exist

G/// C/// D/// D///

Before they're allowed to be free

G/// C/// D/// G///

Yes and how many times can a man turn his head

G/// C/// G/// G///

And pretend that he just doesn't see

---CHORUS---

G/// C/// D/// G/// G/// C/// G/// G///

How many times must a man look up before he can see the sky

G/// C/// D/// G/// G/// C/// D/// D///

Yes and how many ears must one man have before he can hear people cry

G/// C/// D/// G///

Yes and how many deaths will it take till he knows

G/// C/// G/// G///

That too many people have died

---CHORUS---
