

I WISH I HAD SOMEONE TO LOVE ME

C// C//

C// C// F// C//

I wish I had someone to love me

C// C// G// G//

Someone to call me their own

C// C// F// C//

Someone to stay with me always

F// G// C// C//

I'm weary of being alone

C// C// F// C//

Meet me tonight in the moonlight

C// C// G// G//

Meet me tonight all alone

C// C// F// C//

I have a sad story to tell you

F// G// C// C//

I'm telling it under the moon

[CHORUS]

C// C// F// C//

Tonight is our last night together

C// C// G// G//

The nearest and dearest must part

C// C// F// C//

For all that has bound us together

F// G// C// C//

Is quickly being torn apart

[CHORUS]

C// C// F// C//

If I had the wings of the swallow

C// C// G// G//

I'd fly out over the sea

C// C// F// C//

I'd fly to the arms of my true love

F// G// C// C//

And bring her home safely to me

[CHORUS, repeat last line]
