C/// Cmaj7/// F/// F///

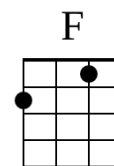

C/// Cmaj7/// F///
Coming out of my cage and I've been doing just fine
F///

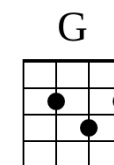

Gotta gotta be down because I want it all
C/// Cmaj7/// F///
It started out with a kiss how did it end up like this?
F/// C///

It was only a kiss it was only a kiss
Cmaj7/// F///
Now I'm falling asleep and she's calling a cab
F/// C///

While he's having a smoke and she's taking a drag
Cmaj7/// F///
Now they're going to bed and my stomach is sick
F///

And it's all in my head, but she's touching his
Am/// Am/// G/// G/// F/// F/// F/// F///
Chest now, he takes off her dress now let me go

Am/// Am/// G/// G/// F/// F/// F/// F///
And I just can't look it's killing me, they're taking control

C/// F/// Am///
Jealousy, turning saints into the sea
G/// C/// F/// Am///
Swimming through sick lullabies, choking on your alibis
G/// C/// F/// Am///
But it's just the price I pay, destiny is calling me
G/// C/// F/// Am/// G///
Open up my eager eyes, 'cause I'm Mr. Brightside
