OCTOPUS'S GARDEN (The Beatles) v2
C/// Am/// F/// G7/// [1+2+ +4+]

Am   C   F   G7

```
C///              Am///
 I'd like to be, under the sea
     F///                      G7///
In an octopus's garden in the shade
C///            Am///
 He'd let us in, knows where we've been
      F///                   G7///
In his octopus's garden in the shade
Am                      Am        Am F        G7///
  I'd ask my friends to come and see, an octopus's garden with me
C///          Am///              F/     G7/        C///
 I'd like to be, under the sea, in an octopus's garden in the shade
```

```
C///            Am///
 We would be warm, below the storm
      F///                      G7///
In our little hideaway beneath the waves
C///            Am///
 Resting our head, on the sea bed
     F///                   G7///
In an octopus's garden near a cave
Am                  Am        Am F                    G7///
 We would sing and dance around, because we know we can't be found
C///          Am///              F/     G7/          C///
 I'd like to be, under the sea, in an octopus's garden in the shade
```

```
C///            Am///
 We would shout, and swim about
    F///                      G7///
The coral that lies beneath the waves
C///            Am///
 Oh what joy, for every girl and boy
F///                      G7///
Knowing they're happy and they're safe
Am            Am              Am F                    G7///
 We would be so happy you and me, no one there to tell us what to do
C///          Am////                F/     G7/        C/   Am/
 I'd like to be, under the sea, in an octopus's garden with you
     F/     G7/        C/   Am/
In an octopus's garden with you
     F/     G7/          C…  G7 C
In an octopus's garden with you
