

PART TIME PUNKS (TV Personalities)

C/// C/// C/// C///

C/// C///

F/// F///

Walking down the Kings Road, I see so many faces

F/// F///

C/// C///

They come from many places, they come down for the day

C/// C///

F/// F///

They walk around together and try to look trendy

F/// F///

C/// C///

I think it's a shame that they all look the same

[CHORUS X 2]

C/// C///

F/// F///

Here they come la la la la la la

F/// F///

C/// C///

la la la la la la the part time punks

C/// C///

F/// F///

Then they go to Rough Trade to buy Siouxsie and the Banshees

F/// F///

C/// C///

They heard John Peel play it just the other night

C/// C///

F/// F///

They'd like to buy the O Level single or Read About Seymour

F/// F///

C/// C///

But they're not pressed in red so they buy The Lurkers instead

[CHORUS X 2]

C/// C///

F/// F///

They play their records very loud and pogo in their bedroom

F/// F///

C/// C///

In front of the mirror but only when their mum's gone out

C/// C///

F/// F///

They pay half fares on the buses and they never use toothpaste

F/// F///

C/// C///

But they got two fifty to go and see The Clash tonight

[CHORUS X 2]

C/// C///
