

RED RIVER VALLEY

C/// C/// C/// C///

C

C/// G7/// C/// C///

From this valley they say you are leaving

C/// C/// G7/// G7///

We shall miss your bright eyes and sweet smile

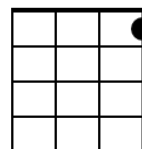

C/// C7/// F/// F///

For you take with you all of the sunshine

G7/// G7/// C/// C///

That has brightened our pathway a while

C7

C/// G7/// C/// C///

Then come sit by my side if you love me

C/// C/// G7/// G7///

Do not hasten to bid me adieu

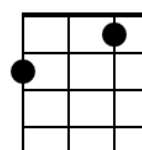

C/// C7/// F/// F///

Just remember the Red River Valley

G7/// G7/// C/// C///

And the cowboy that's loved you so true

F

C/// G7/// C/// C///

For a long time, my darlin', I've waited

C/// C/// G7/// G7///

For the sweet words you never would say

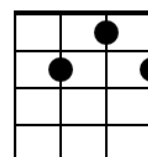

C/// C7/// F/// F///

Now at last all my fond hopes have vanished

G7/// G7/// C/// C///

For they say that you're going away

G7

C/// G7/// C/// C///

Then come sit by my side if you love me

C/// C/// G7/// G7///

Do not hasten to bid me adieu

C/// C7/// F/// F///

Just remember the Red River Valley

G7/// G7/// C/// C

And the cowboy that's loved you so true
